## Bravura® Lithium Professional Cord/Cordless Clipper

# Stylish Performance

Wahl's **Bravura Lithium** professional '5 in 1' blade clipper is the #1 choice of cordless clipper options and is now available in 5 colors!

The Bravura Li+ is designed for long running times of 90 minutes with a quick recharge time of 60 minutes and operates at full speed until the battery is completely depleted.

The Lithium technology in the Bravura allows it to be charged thousands of times without any noticeable loss in battery capacity. The Constant Speed Control feature automatically delivers more power when needed to get through tough situations.

Bravura Li+ continues to deliver unsurpassed cutting performance with the Wahl '5 in 1' blade set – Sizes #9, #10, #15, #30 & #40 all in one blade.

It is a must have clipper for every professional who wants to save time and have a great finished clip to show off!

### Features & Benefits:

- Constant Speed Control=Constant Torque automatically delivers more power
- Professional power up to 5,500 SPM
- Exceptionally quiet, virtually no vibration, lightweight, durable and maintenance free
- The Bravura clipper and '5 in 1' blade will never get hot:
  - eliminating the risk of overheated blades
  - eliminates having to use messy coolants

### Ideal For:

- Feet, face and all finish work on all dog breeds
- Full body clipping on small and medium sized dogs
- Cat Grooming
- Bridle path, ears, muzzle and fetlocks on horses
- Trimming, blocking & show cuts for goats, pigs and cattle
