Rascal Bath BT-MR48

10 Year Warranty for the original buyer against defects in material or workmanship under normal use in the service for which the product is intended. Warranty covers stainless steel animal baths against leakage and rust, provided the tub is maintained with proper care and cleaning. Please note that over time, the appearance of "rust" on the stainless steel can occur. This is not the stainless steel material, but material introduced from the environment that could include chemicals, air particles, dirt, moisture or other factors. Standard stainless steel cleaning practices will remove the appearance of staining/rust. In selecting cleaning practices, consider the possibility of scratching and the potential for post cleaning corrosion caused by incompletely removed cleaners. Select only cleaners that are not abrasive, not acidic, and low in chloride. Many antibacterial cleaners used to clean and sanitize door hardware contain high levels of chlorides, which will cause corrosion if not properly removed from the surface

Rascal Bath

The Rascal Bath is the newest stainless steel tub in the PetLift line and has all the same great features as our popular Mini Monster Tub, but also adds 40% more space with its 48" width. It conveniently accommodates animals up to 60 lbs. and will handle small to medium sized dogs easily and efficiently, raising the animal to a higher height than our standard baths.

The Rascal Bath is designed to meet ADA Handicap code requirements.

Features:

- Tub is fabricated with 16 gauge, high quality 304 grade stainless steel
- Fully welded and finely crafted to provide years of use
- 3-sided backsplash fully welded and part of the tub body
- Cove molding on all edges for increased tub wall integrity
- 2 eye hooks to keep animal safely secured inside while bathing.
- Adjustable feet
- Plumbing can be located on left or right side of tub

Dimensions: 48"L x 21 1/4 "W x 58"H x 10"D

Options:

- Bottle Holders
